## More and more auto repair and body shops are discovering the benefits of renting out their own vehicles...shouldn't you?

In today's highly competitive market, anything you can do to maximize the profit potential of existing customers is critical. So, why not simply add to the great service you already provide with your own Rent-A-Car operation!

Recognized as one of the nation's leading insurers of commercial vehicles, including rental cars, Lancer Insurance Company can help you successfully navigate through the details associated with establishing your own rental fleet and turn your loaner cars into a consistent profit source. Think of it as a customer benefit that can attract and retain business for years to come!

In addition, when your loaner cars are in the hands of your customers, Lancer's rock-solid insurance coverages will be there to protect your newest profit center.

### Providing the Coverages You Need

- Commercial Auto Liability
- Physical Damage (Collision)
- General Liability

### Bonus Benefits

- Premier Customer Service
- "Excellent" A.M. Best-Rated Insurance
- 24/7 Professional Claims Service
- CSR Training Videos
- Loss Prevention Tips for Renters
- Claims Reporting Tools
- An Insider's Knowledge of the Rental Car Business

**Call today to find out how easy and affordable it is to put your customer "loaner" cars into revenue-producing service today!**
