

Vacant Land Product

Why do you need to purchase a vacant land policy?

- ▶ A child rides a bike onto the property, crashing over a cement parking stop and injuring his wrist
- ▶ A tree located within your premises falls after severe windstorm, and damages a car parked alongside your lot
- ▶ The sidewalk surrounding your property cracks and a passerby stumbles on the crack, injuring herself

The following are important features; make sure you have them all:

COVERAGE FEATURES	USLI	COMPETITORS
